CIBC Private Wealth invites you to an exclusive webcast:

A Look at the Year Ahead

Economic Outlook, Market Opportunities and Tax Planning Strategies

Increasing rates, inflation, and supply chain constraints have all had a significant impact on the economy this year and may be setting the stage for a recession. What does this mean for you and how does it affect the market outlook for the next year?

Our experts share their thoughts on the economic outlook, how markets will react and what it means for your portfolio as well as key tax planning strategies to help you optimize your wealth for you and your family.
